Oh well in five years time we could be walking round a zoo  
 With the sun shining down over me and you  
 And there'll be love in the bodies of the elephants too  
 And I'll put my hands over your eyes, but you'll peep through

And there'll be sun sun sun all over our bodies  
 And sun sun sun all down our necks  
 And sun sun sun all over our faces  
 And sun sun sun - so what the heck!

Cos I'll be laughing at all your silly little jokes  
 And we'll be laughing about how we used to smoke  
 All those stupid little cigarettes and drink stupid wine  
 Cos it's what we needed to have a good time

And it was fun fun fun when we were drinking  
 It was fun fun fun when we were drunk  
 And it was fun fun fun when we were laughing  
 It was fun fun fun, oh it was fun

Oh well I look at you and say  
 It's the happiest that I've ever been  
 And I'll say I no longer feel I have to be James Dean  
 And she'll say "Yah well I feel all pretty happy too"  
 And I'm always pretty happy when I'm just kicking back with you

And it'll be love love love all through our bodies  
 And love love love all through our minds  
 And it be Love love love all over her face  
 And Love love love all over mine

Although maybe all these moments are just in my head  
 I'll be thinking 'bout them as I'm lying in bed  
 And all that I believe, it might not even come true  
 But in my mind I'm havin' a pretty good time with you

In five years time I might not know you  
 In five years time we might not speak  
 In five years time we might not get along  
 In five years time you might just prove me wrong

Oh there'll be love love love  
 Wherever you go There'll be love
