Well, you done done me and you bet I felt it  
I tried to be chill but you're so hot that I melted  
I fell right through the cracks  
Now I'm trying to get back

Before the cool dawn run out  
I'll be giving it my bestest  
And nothing's gonna stop me but divine intervention.  
I reckon, it's again my turn  
To win some or learn some.

But I won't hesitate  
No more, no more.  
It cannot wait,  
I'm yours.

Well, open up your mind and see like me,  
Open up your plans and damn you're free.  
Look into your heart and you'll find love, love, love, love.  
Listen to the music of the moment, people dance and sing,  
we're just one big family  
And it's our God-forsaken right to be  
loved, loved, loved, loved

So I won't hesitate  
No more, no more.  
It cannot wait,  
I'm sure.  
There's no need to complicate.  
Our time is short.  
This is our fate,  
I'm yours.

I've been spending way too long checking my tongue in the mirror  
And bending over backwards just to try to see it clearer  
But my breath fogged up the glass  
And so I drew a new face and I laughed.

I guess what I'll be saying is there ain't no better reason  
To rid yourself of vanities and just go with the seasons.  
It's what we aim to do.  
Our name is our virtue.

But I won't hesitate  
No more, no more.  
It cannot wait,  
I'm yours.

Well, open up your mind and see like me,  
Open up your plans and damn you're free.  
Look into your heart and you'll find that the sky is yours.  
So please don't, please don't, please don't...  
There's no need to complicate.  
'Cause our time is short.  
This oh, this oh, this is our fate.  
I'm yours.
