So honey now
Take me into your loving arms
Kiss me under the light of a thousand stars

Verse 2

When my hair's all but gone and my memory fades
And the crowds don't remember my name
When my hands don't play the strings the same way, mm
I know you will still love me the same
'Cause honey your soul can never grow old, it's evergreen
Baby your smile's forever in my mind and memory

Pre-Chorus 2

I'm thinking 'bout how
People fall in love in mysterious ways
Maybe it's all part of a plan
I'll just keep on making the same mistakes
Hoping that you'll understand

But baby now
Take me into your loving arms
Kiss me under the light of a thousand stars
Place your head on my beating heart
I'm thinking out loud
